

***Heart Transplant!***  
***Ezek 36: 26ff***

***Heart – ghdd – biblically is our emotional state from which we both consciously and unconsciously conduct our lives.***

***A failed heart is not a hard heart!***

***We experienced a failed heart when we no longer have emotional strength to move forward.***

***We create a hard heart when we desensitize our human spirit from the Holy Spirit!***

***The Holy Spirit renews a failed heart and replaces a hard heart!***

***Worshipping the Lord with all of our emotions is not the same as worshipping the Lord emotionally.***

***To love the Lord with all of our hearts our emotional state must be subject to the truth.***
