

The Fuel of Covenant

Jeremiah 31:3, Matthew 3:1ff

Covenant is the fundamental tool that God uses to reveal His purposes, assure their fulfillment and engage mankind in a personal relationship with Him.

“I have loved you with an everlasting love. (A love that has no beginning and no end); therefore with lovingkindness have I drawn thee.”

The source and the fuel of each covenant of God's is love.

When we covenant with God, we get what He paid for!

The gift of the new covenant in Jesus is the Holy Spirit, God Himself upon us and within us.

- **“The moment we recognize our complete weakness and utter dependence upon Him will be the very moment that the Holy Spirit of God will exhibit His power.”**

***Repentance paves the way for the Holy Spirit's work
in us and through us.***
