

***Whom Shall I Fear?***  
***Matt 10:26ff***

***The question posed by fear is what or who controls you?***

***There is good fear and there is bad fear.***

***Dread is the feeling that another can put my well-being in jeopardy. Dread is bad fear.***

***Respect is the healthy desire to gain the approval of another. Respect is a good fear.***

*In whom do you put your trust.*

***Whether I fear the Lord or I fear man, the one whom I fear most I obey.***

*How do I deal with my “fear of man?”*
