

# How To Be Successful

Matthew 6:1-18

**Humanity has a built-in desire for  
success and affirmation.**

Pursuing the *appearance* of success is  
the quickest way to derail *true* goodness.

Living for the Audience of One uproots  
hypocrisy with the authenticity of grace.

**Spiritual Disciplines are not *measures* of success, but *means* of preparing us for success.**

**The reward of a disciple is to be seen,  
heard and glorified by God himself.**
